Reunion

Dear Rev. Hartigan:

As reunion committee representatives of the Class of 2001, we come to you respectfully in a request for assistance on a matter relating to the planning of our 10-year reunion. As alumni of this great institution, we anticipate the same great care we received as students and donors, in order to make our 1st reunion a success.

The reason for this letter is that we are concerned with the response we received from the Alumni Development and Finance Office regarding our class funds. We were to understand that, in planning and executing our reunion, those funds would be available for our use. Unfortunately, that has not been the case. After months of back and forth communication between Lakisha Love and Tracy Koralewski (Development Office), during the week of May 16th, it was finally disclosed to committee member Michael Smith that our class funds have vanished. According to the office, the funds for all classes were kept in one account and that we would have no access to our funds until the original account is recovered. In the meantime, we were encouraged to look at other alternatives in order to keep our self-funded reunion costs down.

As a committee, we believe that the actions of the Alumni Development and Finance Office are unacceptable and we are very disappointed in the lack of communication during this process. If possible, we would like a conference call with you and/or another member of the administration – to discuss, in detail, a resolution to this matter.

Please call Lakisha Love at (513) 237-7900 or email lakishalove@gmail.com at your earliest convenience to set-up a time and date for discussion/resolution. We look forward to hearing from you.

Thank you in advance for your time and attention to this matter.

Sincerely,

Lakisha S. Love
